

Technical drawing of the 3000 Series extrusion system, showing four cross-sections (A-A) and three perspective views. The cross-sections illustrate the extrusion profile with dimensions: 25mm top flange, 12mm bottom flange, 29.5mm total height, 10.9mm bottom flange, 15mm bottom flange, 35mm top flange, 21mm bottom flange, 11mm bottom flange, and 7.5mm bottom flange. The perspective views show the extrusion profile with dimensions: 30x10.5mm, 4.5mm, 29.5mm, and 10.9mm. A warning symbol is present in the second cross-section.
